DEMAND GENERATION ♦ B2B SEO ♦ CRM ♦ Professional Portfolio

PROFESSIONAL SUMMARY

- Marketing professional with 5+ years of experience building demand generation, SEO, CRM and commercial optimization systems across B2B and B2C environments.
- Specialized in connecting marketing with business outcomes through pipeline generation, revenue attribution, marketing automation, UX/UI, educational content and performance analysis.
- Experienced with HubSpot, Google Analytics 4, Search Console, SEMrush, Looker Studio, Google Ads, Meta Ads and Shopify. English B2 professional working proficiency.

KEY RESULTS

- Up to \$3M MXN in monthly revenue reported and attributed to marketing through HubSpot CRM, original traffic source tracking and sales team closing records.
- Approx. 1,200 to 1,500 monthly leads, 750 MQLs and 70 sales-qualified opportunities in a B2B industrial machinery environment.
- Contributed to approximately 10 monthly closed deals with an average ticket close to \$300,000 MXN per transaction, under a consultative sales cycle involving financing and purchase decision processes.
- Approx. CPL of \$53 MXN, cost per opportunity close to \$1,143 MXN and CAC around \$8,000 MXN, calculated from an estimated monthly investment of \$80,000 MXN.
- Top 1 to Top 3 organic rankings for key commercial and informational searches in the industrial sector, starting from an almost nonexistent organic presence.

EDUCATION

Bachelor's Degree in Communication Sciences

Universidad La Salle Bajío - Leon, Guanajuato (2017 - 2021)

WORK EXPERIENCE

Head of Digital Marketing / Growth Manager, 01/2025 - Present

GALGA MAQUINARIA

- Own the digital acquisition, demand generation, SEO and commercial attribution strategy for a B2B company specialized in industrial machinery.
- Implemented a demand generation system connected to HubSpot to track original traffic source, lead qualification, opportunities and sales reported by the commercial team.
- Increased marketing-attributed revenue from historical levels of \$1M to \$2M MXN monthly to nearly \$3M MXN/month during solid performance periods.
- Generated 1,200 to 1,500 monthly leads through SEO, paid campaigns, educational content, website assets and digital tools supporting the sales process.
- Reached approx. 750 MQLs and 70 SQLs per month; the funnel contributes to about 10 monthly closes at an average ticket of \$300,000 MXN.
- Ranked high-intent keywords such as industrial embroidery machine, printing plotter, flat knitting machine, calender, Mimaki and sublimation paper in top Google results.
- Redesigned the website with a conversion focus, adding credit simulators, technical sheets, videos, 3D models and self-qualification mechanisms.
- Managed a monthly digital investment of approximately \$80,000 MXN across performance campaigns focused on qualified conversations and commercial demand.
- Standardized brand communication and digital assets across the website, campaigns and sales materials.
- Built sales enablement materials to improve opportunity quality and support sales follow-up.
- Replicated digital strategies for ETM Colombia and other group subsidiaries.

Marketing Manager / Content Manager, 09/2023 - 12/2024

EVACOLORS INDUSTRIAL - GRUPO REVILLA

- Led content, SEO and commercial communication for a B2B company specialized in Crosslink Foam.
- Increased organic traffic by approximately 50% through educational content and SEO aligned with the buying process.
- Developed technical and commercial content covering costs, applications and purchase criteria to support the sales team.
- Implemented email marketing campaigns focused on recovering and reactivating dormant customers.
- Redesigned sales materials, presentations, brochures, flyers and corporate content based on technical knowledge gathered from sales and production teams.
- Created support assets for Expo Empaque Norte focused on prospect acquisition.

Content Strategist / Marketing Specialist, 03/2022 - 09/2023

MERCACTOR

- Managed marketing and communication strategies for more than 15 brands simultaneously.
- Developed SEO and content projects focused on organic positioning and traffic generation.
- Increased digital engagement through content strategies and creative campaigns.
- Improved internal workflows through automation, process optimization and deliverable standardization.
- Delivered internal training in SEO Writing, Copywriting and AI tools.

Marketing Lead, 06/2020 - 02/2022

MEX7 BOOTS

- Executed digital campaigns, activations and brand positioning strategies.
- Managed social media, promotional content and digital commercial communication.
- Supported product launches, market analysis and customer loyalty initiatives.
